BAND AND MAJORETTES DO FINE JOB

The McDonald High School Band, under the direction of Mr. Philip Mruk, deserves much credit for its many fine performances this past school year. The band exhibited its talents at the various parades attended, at assemblies, and at football games.

The officers of the band are: Donna Cooper, president; Irwin Lederstein, vice president; and

John Putt, secretary-treasurer.

Heading the McDonald High School Band were the five high-stepping majorettes. Beside adding much color to the band, the girls also demonstrated their precision twirling abilities, the result of many long hours of practice. They indeed gave many noteworthy performances this past year.

CHORUS AND DANCE BAND HAVE BUSY YEAR

The chorus has had a busy year preparing for the Christmas Cantata and Spring Festival. Seven representatives were sent to County Chorus which sang for Teachers' Institute. Baccalaureate and commencement were given that special touch with the music provided by the outstanding M. H. S. chorus. Mr. Mruk should be commended for the fine job he has done in preparing a well-balanced and fine-sounding chorus.

In our music department we also have the Dance Band, which has done quite well this year under the guidance of Mr. Mruk. Those attending the Chorus Dance enjoyed dancing to the music of the M. H. S. Dance Band. Other performances included playing in the Spring Festival and at the Senior Play. If the oncoming members do as good a job as the present ones, we can be sure of a fine Dance Band in the future.

The Senior High Pep Club

PEP CLUB FULFILLS PURPOSE

The Pep Club is the basis of our school spirit. Its purpose is to give pep and enthusiasm to the football and basketball teams and to promote school spirit by encouraging the students to take part in the assemblies, to attend the football and basketball games, and to support all school activities. The Pep Club, under the guidance of the cheerleaders, also works for good sportsmanship and leadership.

The club is composed of the cheerleaders, band members, and the football and basketball teams.

The Pep Club also works on different projects. This year the club sold football pins and programs, as well as "Red Devil" pens. It was responsible for the decorations of the Football Dance and for the flowers carried by the Queen and her attendants.

Mrs. Campbell is the sponsor of the club, and the officers were Carole Miller and Gloria Mazzocco as the co-presidents; Donna Cooper as vice president; Mary Ann Klimas as secretary; and Patty Myers as treasurer. They all worked hard to see that the club was a success.

CHEERLEADERS WORK HARD

The cheerleaders of M. H. S. are a group of hard-working girls. They are seen in their traditional red-and-white uniforms at the pep assemblies and at the football and basketball games leading the student body in cheers and school songs. It is their job to see that the students use these cheers to support the teams and to help keep the school spirit high.

The cheerleaders start their practice three weeks before school opens, and they continue practicing throughout football and basketball seasons. The girls are sponsored by Mrs. Camp-

bell, who has worked and guided them faithfully throughout the year.

The Junior cheerleaders were chosen again this year to lead the Junior High students in cheers at the Junior High basketball games. They have worked hard to gain the rhythm and timing needed to be good cheerleaders.

The two graduating cheerleaders are Gloria Mazzocco and Carole Miller. Alice Lienard, Patty Hampson, and Rosemary Morgan are the junior members. The sophomore class is represented by Rose Lesjak and Peggy Masquelier.

EL CLUB PAN-AMERICA ADDS COLOR TO M. H. S.

El Club Pan-America, one of the most colorful organizations of McDonald High School, has had a very successful year. The members of this club are made familiar with the language and customs of the Latin American people. Club meetings are held on the second and third Mondays of the month.

The Pan American Club is very active throughout the year. For Open House, club members decorated their room with a Spanish fiesta motif. In the center of the room they hung a pinata, which is filled with candy, fruit, and nuts. One of the high points of the fiesta is the breaking of the pinata, which is done by blindfolded players who swing at it with a stick. After it is broken, its contents are shared by all. At Christmas time the club held a Christmas party at which Spanish songs were sung, and Spanish music provided a lively beat for dancing. A Christmas dinner was also held in the Home Economics Room. Among the other activities of the club, a Merienda was held. A merienda is a

Spanish tea at which Spanish food is served and their native dress is worn. The club also sponsored one very successful dance.

One of the outstanding events of the year was the field trip to Pittsburgh to see the opera "Carmen". Everyone enjoyed this different experience.

Another important activity of the club is the writing of letters to high school students of other countries, especially the Latin American countries. This enables club members to more fully understand the attitudes and customs of their south-of-the-border neighbors.

The Pan-American Club is under the capable sponsorship of Mrs. Campbell, who is head of the Spanish Department.

The officers of the Pan American Club are: Patricia Bennett, president; Harvey Brookins, vice president; Margie Beth Hull, secretary; Alice Lienard, treasurer; and Rosemary Morgan, reporter.

JUNIOR CLASSICAL LEAGUE ACTIVE

The Latin Club, as the Junior Classical League is most frequently called, has had a very active and successful year. This small but impressive group always manages to fill its year with many projects and activities.

The Club sponsored a very successful dance on January 6. In December, its members held a Saturnalia which is a Roman banquet. At the Saturnalia the native dress of the Romans, togas, are worn. Roman food is served, and the feast is eaten in a reclining position. A program of entertainment was put on by different members of the club.

One of the most important activities of the Latin Club each year is the field trip to the Buhl Planetarium. Each school sends different pro-

jects made by their members. These are judged and prizes are given to the best. This year Mrs. Campbell and her students went to see Cinerama Holiday. This day will be long remembered by the whole Club.

The Latin Club holds its meetings on the second and fourth Mondays of the month. Everyone looks forward to these meetings because they are always enjoyable. Roman games are played and Roman crossword puzzles are made up and worked by the members.

The officers of this club are: Marcia Powell, president; Joette Russell, vice president; Nona Stierheim, secretary; Judith Randour, treasurer; and Joye Masquelier, reporter.

FUTURE HOMEMAKERS OF AMERICA

The senior chapter of the Future Homemakers of America, sponsored by Miss Delores Ammons, started the '55-'56 term by electing Donna Cooper as president and Phyllis McElhaney as vice president. Other officers elected were Gloria Mazzocco, secretary; Huguette Gailard, treasurer; Donna Perrard, historian; and Mary Ann Toulouse, degree chairman. The officers were installed at a candlelight ceremony early in the school year.

MISS DELORES AMMONS
Home Economics

The F. H. A. is made up of sophomore, junior, and senior girls who desire in future years to be capable housewives. The club is dedicated to the idea that every woman is a homemaker.

One of the activities of the F. H. A. is collecting Christmas toys for the needy of McDonald. Each member was responsible for a toy. The F. H. A. held its annual Mother-Daughter Banquet in March in the Home Ec. Room. Committees, selected by the president for the dinner, worked very hard to make it a success. The seniors received their F. H. A. pins late in the school year. Pins are awarded on the basis of points, which are earned from the sophomore through the senior year. Points are earned by serving on committees and by performing duties at the meetings. A record of each girl's achievements is kept by the degree chairman. Members of this club are a part of the nationwide organization which contributes to the individual, the school, and the community.

FUTURE NURSES' CLUB

The Future Nurses' Club is made up of junior and senior girls who desire in the future years to become registered nurses.

The purpose of the club is to acquaint the girls with the duties, advantages, and rewards of nursing, and to make them familiar with the different phases of nursing. The members of the Future Nurses' Club render a service to the school by helping with the dental clinic and physical examinations.

The club members, with Mrs. Elizabeth Abell as sponsor, started the '55-56 term by electing Rosemary Morgan, president, and Camellia Toulouse, vice president. Other officers elected were Mary Ellen Kloppel, secretary, and Huguette Gaillard, treasurer.

The Future Nurses' Club went to Duquesne University for their annual field trip, early in the school year. The girls visited the radio studio, the chapel, and some class rooms.

MRS.
ELIZABETH ABELL
Nurse

A lunch of punch and cookies was served by students from the school. A visit was also made to one of the school dormitories. The Dean of Nursing, Miss Johnson, talked to the girls and answered their questions.

Five senior girls, who are members of the Future Nurses' Club, have applied for entrance to schools of nursing.

During the six years the Future Nurses' Club has been in existence, several girls have entered schools of nursing and have become registered nurses.

KEM KLUB HAS SUCCESSFUL YEAR

The Kem Klub, reorganized in 1955, had a very successful year. The club, under the direction of Mr. Blockowicz, is made up of chemistry and physics students interested in a career based on science. Meetings are held every Thursday noon. Part of the meeting is devoted to business, and part is devoted to scientific developments and experiments performed by the members.

The Kem Klub joined the Science Club of America early in the year, and membership cards were given out. Dues of twenty-five cents a month are paid by the members, and this money is used to buy apparatus for the science laboratory.

A constitution, which included the purpose and aims of the club and the duties of the mem-

bers and officers, was drawn up by the committee. After the amendments were made, the constitution was then approved by the membership.

Movies and film strips dealing with all branches of science were enjoyed by the club members and proved to be of great value in classroom work. A film on the Salk Vaccine was one of the many movies enjoyed by the members.

Officers of the Kem Klub include: Fernand Thomassy, president; John Williamson, vice president; Huguette Gaillard, secretary; and Mary Ellen Kloppel, treasurer.

These fine officers rendered efficient and helpful service as they fulfilled their duties in every detail.

PROJECTOR CLUB AIDS AUDIO-VISUAL PROGRAM

The purpose of the Projector Club is to teach students how to run the many practical machines used in the audio-visual program of the school. It is hoped that at least one club member will be present in every class.

Each member is instructed personally by the club sponsor, Mr. Blockowicz, who in turn decides whether or not the member is qualified to run the machine. The equipment includes an opaque projector, several spotlights, a newly-purchased projector, and a new record machine. The new projector, which has already assisted several teachers besides providing a form of entertainment for the students, has become a popular addition to the Projector Club. The projector is a convertible type machine which can either project an image on a regular screen or project the image on a frosted glass screen which is attached to the machine.

The spotlights are in continuous use during the year by various organizations. The opaque projector is used to project pictures in books or magazines onto the screen so that many can view the picture at once.

The new record machine, which can also be converted into a P. A. system, is used at fifteen-cent dances. The machine, which plays any size record at all speeds, is also used in the music department. At dances only members of the club are allowed to run the machine.

Mr. Blockowicz has done a fine job since he took over as sponsor of the Projector Club. In fact his job as sponsor will probably become bigger in the next few years since the use of audio-visual aids is becoming a more and more popular method of education.

CHRONICLE SUCCESSFULLY PUBLISHED

The eight editions of the 1956 McDonald High School Chronicle have all been successfully written, printed, and distributed among the students. This task was carried out with the aid of Miss Kirk, who is the publication's advisor.

The 1956 Chronicle was very successful, thanks to the efforts of the journalism class and its very capable editor, Fernand Thomassy. Although it was sometimes difficult to get all the material checked and typed, everything always turned out all right as the material went to press.

A project, such as publishing a school paper, provides the students with many benefits. First of all, the students must obtain the money with which to publish it. This is done by securing advertisement from the local businesses. This gives the student a chance to get out and meet and deal with the public. Secondly, the material to go into the newspaper must be sought, checked, typed, and turned in to be sent to the press. All this gives the student experience in composition, responsibility, and the usage of good English.

The advertising staff under the leadership of Gary Chiff and his assistant, Bob Johnston, did a very successful job, even though it sometimes grew difficult.

The editorial staff, headed by Fernand Thomassy, assisted by Carole Louise Campbell and Mary Ellen Kloppel, did a very efficient job in getting the material assembled. All of the other staffs, including business, headed by Louis Masquelier, assisted by Donald Perrard; circulation, headed by Donna Perrard; and sports, headed by Milton Powell and assisted by Larry Thornton, did their jobs very well and contributed much to the success of the Chronicle. Everyone agrees that working together makes a task much easier, and these staffs proved this point.

The printing of the Chronicle is one of the high points of the Senior Class. Each class looks forward to improving and changing it each year. All the students look forward each month to getting their copy and finding out the latest happenings and gossip of the school. The day the Chronicle comes out the teachers have a hard time getting the students to pay attention in class.

The Chronicle staff would like to express its appreciation to the businessmen of McDonald for their cooperation and patronage. Without their aid the Chronicle would not be possible. The staff would also like to wish luck and success to all the Chronicle staffs of the future.

LAUREL THE PRODUCT OF WORK, WORRY, FUN

Long hours of hard work and worry along with many hours of fun are the background of the fine production of the 1956 Laurel. Cooperation and the ambition of the class members produced a yearbook we can be proud of.

Every member of the class had some part in helping turn out the Laurel. A class meeting was held at the beginning of the year, and the members of the different staffs were chosen.

Fernand Thomassy and Harvey Brookins, co-editors, along with their staff, worked hard in assembling into the yearbook the work of the other staffs.

Many things have to be done in preparing a yearbook, but the most important is getting enough money to have one. The advertising staff has done a fine job in bringing in money for advertisements and urging their classmates to bring in patrons. The business staff was responsible

for bringing in subscriptions to the Laurel, holding a 15-cent dance and the annual disc-jockey dance, and conducting the boxing glove game. Money was also made by selling magazines at the beginning of the school year, a project in which we did better than any previous class.

The literary staff was responsible for all the writeups for the pictures that appear in the Laurel. This proved to be a greater task than was expected.

The circulation staff was responsible for distributing the Laurel to all subscribers. We can all agree they did a good job.

The art staff did a very fine job under the expert guidance of Mr. Davis. The drawings contained in this year's book are very cleverly done.

Many good pictures were taken this year for the yearbook by the photography staff.

Those on the sports staff did a good job of keeping statistics of all the athletic activities.

Miss Kirk has kept all the staffs at work, and we want to thank her for her fine assistance and guidance. We also wish to thank all of the patrons and advertisers, without whose financial help our yearbook could not be possible.

ATHLETIC COUNCIL PROMOTES ATHLETICS

The Athletic Council is made up of representatives of the school board, the faculty, and the senior high school classes. John Williamson, senior; Jon Sember, junior, and Richard Scott, sophomore, are the senior high school class representatives.

The group is perhaps the least known organization in our school, but certainly rates high in importance—at least as far as athletics are concerned. The group has the task of organizing the complete sports program for the school. The council schedules games, advertises each game, provides tickets, buys equipment, sponsors sports banquets, and provides transportation for away games.

This year the council sponsored an all-sports banquet. It also bought new football and new basketball equipment. An interesting fact about the council and McDonald High is that the very best equipment is always purchased in

order to secure the safety of our boys as well as to provide attractive looking squads.

The student representatives for this organization gain much experience in planing and organizing. The boys must be boys who are capable of good judgment. They are elected by the class at large and their job is to express the opinions of the athletes in their room.

One of the behind-the-scene duties of the Athletic Council is the buying of equipment. Long before our teams start practice, our coaches have turned into the council, a requisition sheet of material and equipment needed for the coming season. The council discusses and votes on the material which is then ordered and delivered in time for the first practice.

The officers for this year include Mr. Pettit, president; Mr. Cameron, vice president; Mr. Stasko, secretary and treasurer.

LETTERMEN'S CLUB FOSTERS SPORTSMANSHIP

The Lettermen's Club of McDonald High School is composed of the boys who participate in football, basketball, and track. The main purpose of this club is to maintain the high standard of good sportsmanship for which McDonald is noted.

The Lettermen's Club of '55-56 started the year by electing Harvey Brookins, president; John Williamson, vice president; and Terry Smith, secretary-treasurer. These officers are assisted by Mr. Blockowicz and Mr. Hepe, who have worked hard to promote a greater interest in sports. One of the important events sponsored by the Lettermen's Club is the Football Dance. The highlight of the Football Dance is the crowning of the Football Queen, who is elected annually by the members of the Lettermen's Club. This year's queen was Gloria Mazzocco,

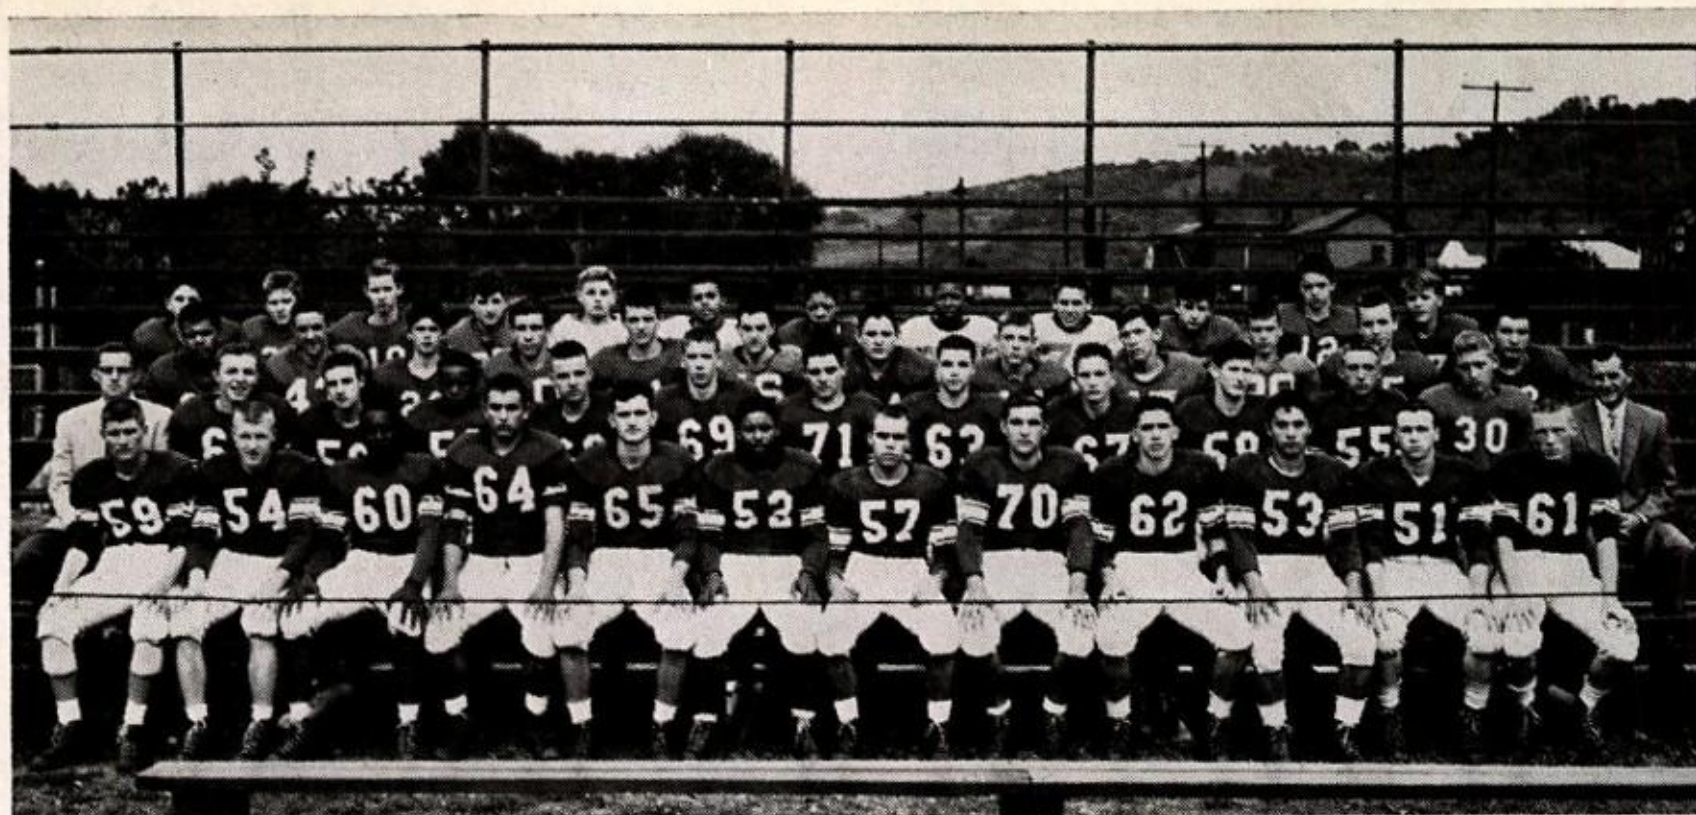

who is co-head cheerleader of M. H. S.

The Lettermen's Club buys jackets for its members who have earned eighteen quarters for participating in the football games. During the award assembly, which is sponsored annually by the club, letters are given to those who have played two quarters or more out of each basketball game.

Every year the outstanding athlete is chosen by the Lettermen's Club. The tradition of choosing the most valuable player began in 1948 with the election of William Cameron; 1949, Thomas Fox and Donald Smith; 1950, Roger Gaillard; 1951, Robert Browning; 1952, Freeman Fletcher; 1953, Albert Fages; 1954, Robert Michalak; and 1955, Paul Chiff. Harvey Brookins was chosen the most valuable player for 1956.

RED DEVILS HAVE WINNING YEAR

This year the highly-touted McDonald football team upheld its established reputation by rounding out the season with a very impressive seven-to-one record. The team was coached by Mr. Blockowicz, head coach; and Mr. Hepe, assistant coach. Mr. Blockowicz, in his first year as head coach, did a fine job in leading the Macs successfully through a tough season. This fact was proven by his being selected to coach the Washington County All-Stars in the annual Washington-Fayette County All-Star Game.

The Macs defeated South Fayette, Avalon,

Midway, Neville, West Bethlehem, Hickory, and Claysville. The only loss was to Avella.

The Athletic Council didn't sponsor a football banquet this year, but changed to an all-sport banquet held in the spring in order to honor the boys in other sports.

This year's squad included twelve seniors, six of whom started the ball games. The two co-captains were John Williamson and Harvey Brookins. The entire squad and coaches deserve a big round of applause for a job well done.

THE FOOTBALL DANCE

One of the outstanding social events of the year was the Football Dance which was held at the close of football season. The dance was sponsored by the Lettermen's Club.

The highlight of the dance was the crowning of the Football Queen, Gloria Mazzocco, who was chosen by the Lettermen's Club. Gloria was co-head cheerleader and was also active in many other clubs and activities.

Gloria chose Carole Miller, also co-head cheerleader, as her maid of honor. The other attendants included the rest of the cheerleaders, the three Pep Club officers, and the three senior majorettes.

Gloria wore a white, floor-length gown, and the attendants wore ballerina-length gowns of pastel shades. Each of the attendants carried a large mum with red and white streamers, and the Queen carried a football made out of small mums.

The Queen and her attendants walked through an honor guard made up of ten junior high boys taken from the band. The boys were: David Pletincks, Robert Glass, Dennis Cooper, Robert Lynch, David Rehak, Samuel Hennon,

Harry Cryblsky, Charles Myers, James Heron, and William Corkum.

Gloria was then escorted to her throne by co-captain John Williamson, and co-captain Harvey Brookins placed the crown on her head.

Peggy Walker, who was also dressed in white, was the crown bearer, and Lee Webber was dressed as the "Red Devil" who represents the spirit of McDonald High School.

The decorations consisted of red and white streamers draped across the gym with stars indicating the football players hung among the streamers. The background, which added just the right touch to the dance, was the picture of a football field. The art students, under the direction of Mr. Davis, the Lettermen's Club, and the members of the court were responsible for the effective decorations.

The dance music was furnished by Lou Nicola and his Tunetoppers. The fine music, the colorful setting, the impressive crowning ceremony, and the whole dance made this annual event one that will long be remembered by all those who attended.

MOST VALUABLE PLAYER — 1956

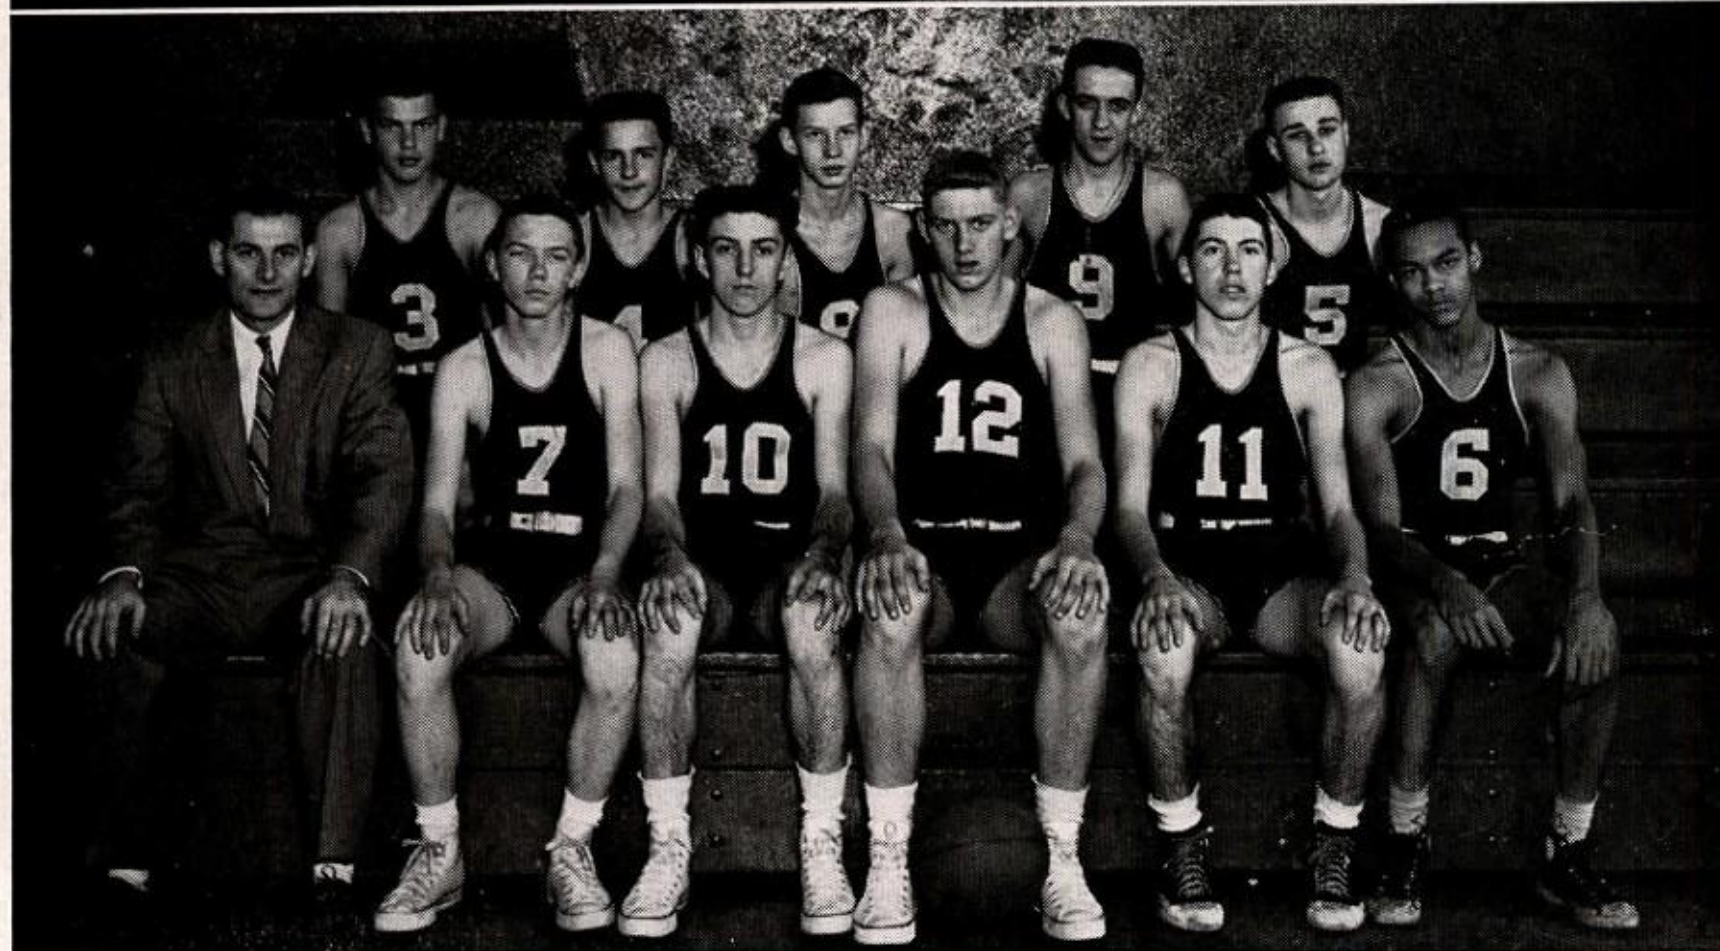

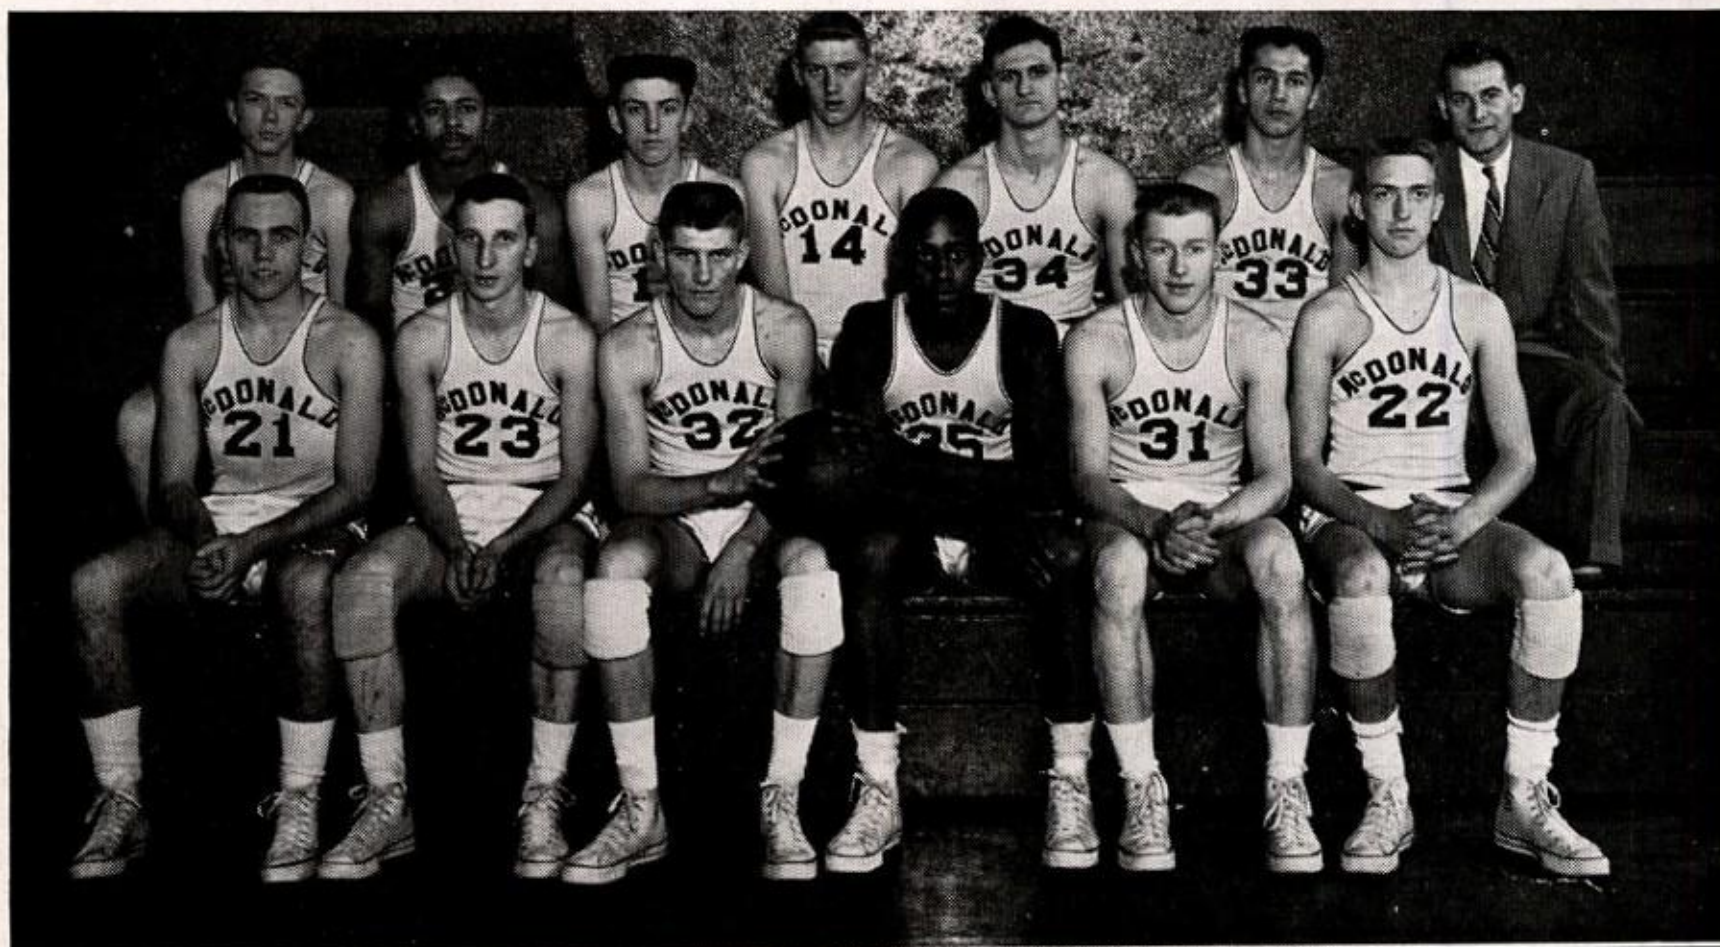

Harvey D. Brookins is the 1956 winner of the "Most Valuable Player" award given annually by the Lettermen's Club to the outstanding athlete.

Harvey, a senior, earned three letters in both football and basketball and was co-captain of the football team in his senior year. He was

chosen not only because he is an outstanding athlete but because in scholarship, character, leadership, and sportsmanship he has attained the high standard required to qualify for the award, a standard which has been kept high by the athletes who have represented McDonald High School in former years.

JUNIOR CLASS HAS A SUCCESSFUL YEAR

We, the Class of 1957, have completed a very busy and successful Junior year. Early in the year we received our scarlet and white class sweaters and hats which have brightened the halls of M. H. S. We are the fourth junior class in succession to have scarlet and white class sweaters since the color was standardized by the Class of "54".

MISS SHIRLEY GILBERT

We also received early in the year our good-looking class rings which have given us a deep feeling of pride in our school.

Our class officers this year were: William Spaude, president; Robert Dye, vice president; Edward Schreiber, secretary; Edward Sawhill, treasurer. We have been very proud of our officers as they have fulfilled the duties of their offices most efficiently.

We are very happy to welcome as a Junior home room teacher, Miss Shirley Gilbert, a graduate of Clarion State Teachers' College and a former student of M. H. S.

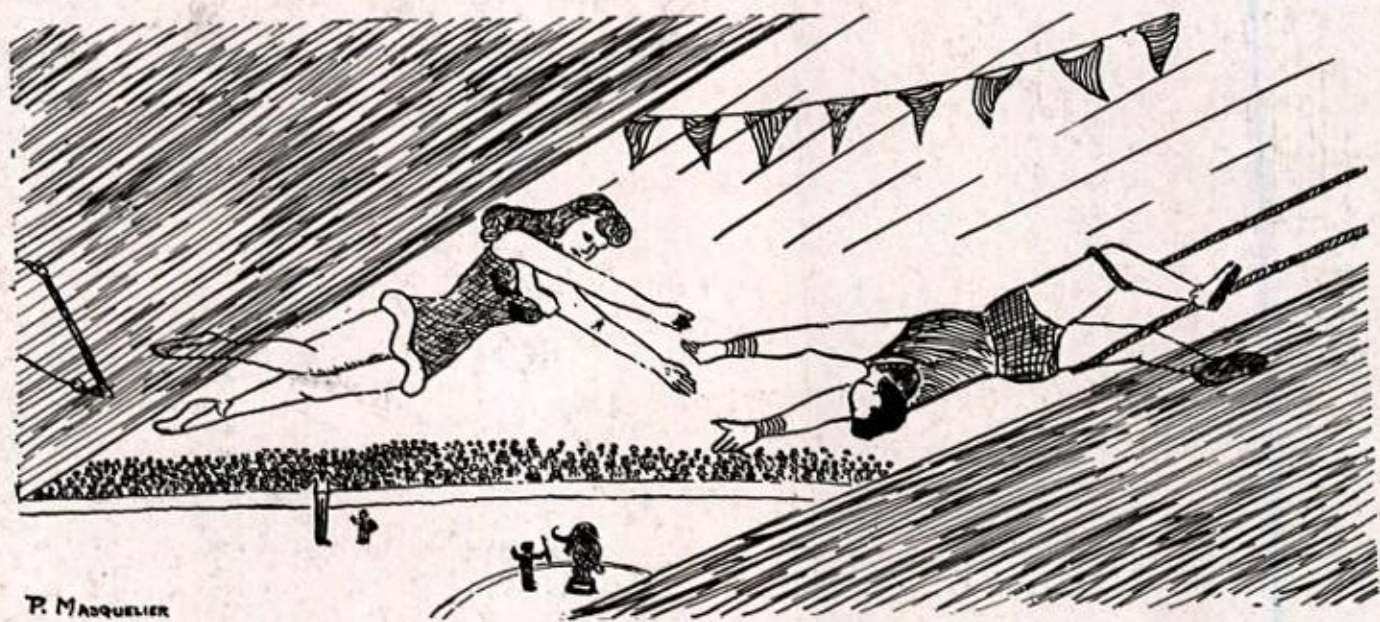

We juniors are looking forward to our senior year and graduation. We are making the most of our junior year in order that our senior year can be very successful.

We, the members of the Junior Class, wish to extend our heartiest congratulations and best wishes to the Class of 1956 and wish its members good luck and success in the future.

A Friend

Have a hurry
to one of the finest
and sharpest girls in the
town of 1864. I was with
her a moment that I was
never a moment that I was
do a lot of things. though I say and
your mind whether your love was
more. you might get mad and think I say and
thing it will do you a lot of good and help keep you a
mile personality which you already got. The first night I saw
you in at the show I knew you were the girl that I wanted to go
and smacked and run around. If of your own good. I wanted to go
you can have fun honey but there are too many other things to do than
in the with the wrong crowd. You did some of the nicest things while
we were together honey that I will never forget. I would like to thank
you for going back to me all those times when I was going to
wouldn't. I really did some sad things while I was going to
get her but you must really loved me to take it all. you might be
believe me but I am really sorry for all the things I ever did to hurt
you. I really loved you and I think of I know I will never forget
you. I don't see how anybody could forget a first girl who
they went steady for so long. Keep working hard in School and
Keep on the right track and you'll go places. I was you I would make the
thing a girl could want and if I was you I would make the
best of it.

The one who really loves you.
Robert Schman.

P.S.

Dear Helen,
So a nice
girl in 5th grade
who is getting finer
as the days go by.
Remember the good times
we had in the swamp across
from me. A friend always,
Bob. Stager

Dear Karen:
So a fine girl
I went with for
five years and for
twenty go with
Remember the good for
we had together. And how we both
were stuck on Regie and how we both
ill never forget the fights we had
with and still think of the good times
we had on the swing and the road to Jersey
Bell. I still can't think of the good times
we played in the field, and you did and we had
and the ball field, and you did and we had
in the hall party and Carol Eiler. He had fun
and went to Joyce in the bathroom. He had fun
what about you and your mother went to bowling
under the tunnel and I ran from Scottie came up
the night took and she had on when the
and Nancy said I ran from Scottie came up
the putting and she had on when the
He had to walk up on when the
the school dance. And how you and Carol
would have fights and I'll always remember
next day. I'll always remember the
things that will come in
the future. Like our going
to school on our
senior year. Good-bye
A friend of
I hope
you
